

## TO FIND OUT YOUR ACCOUNT NICKNAME FOR TEXT ALERTS

Option 1: Through text

Text **BAL** to **59289**.

**BAL** will break down each account for you. Your nickname of the account will be the last number before your balance.

Option 2: Through your NetBranch account online

- Login to Netbranch from your computer
- Go to the "**Services**" tab, select "**Mobile**", and then "**Set Up**"
- Next, select the "**My Accounts**" tab and look for "**Mobile Banking Nickname**" as you can see below

The screenshot shows the 'My Accounts' tab in a NetBranch account interface. It features a table with columns for 'Eligible Accounts' and 'Mobile Banking Nickname'. Four accounts are listed, each with a checked checkbox and a corresponding nickname input field. A 'View Example' link is provided to the right of the table.

Eligible Accounts	Mobile Banking Nickname
<input checked="" type="checkbox"/> Draft (D015) (*015) Checking	1
<input checked="" type="checkbox"/> Share (S001) (*001) Savings	2
<input checked="" type="checkbox"/> Line of Credit (C000) (*000) LineOfCredit	3
<input checked="" type="checkbox"/> Credit Card (TC01) (*4972) LineOfCredit	4

[View Example](#)

To get the history of an account through text message, text **HIST** to **59289** and then nickname of the account.
