

Cross-Member Transfer Authorization

For use through NetBranch or Telco Teller

This Form will authorize you to transfer funds from your account to an account under another member number using NetBranch online banking, or Telco Teller. You may transfer funds to Savings, Checking, Loans, and now even to a Visa Credit Card. It's a great way to manage your family's finances, make loan payments and even transfer funds to a student away at college.

You will only be allowed to transfer funds *from* your account *to* the account designated on this form. It does not permit you to withdraw funds from the other member account. A separate authorization form must be completed for each member number that funds are authorized to be transferred to.

Visit our website at www.ctelco.org and log into NetBranch to access this service and transfer funds. You may also transfer funds by calling Telco Teller at 704-394-2010 or toll free at 1-800-44-TELCO.
